

## **Putnam Saturday Farmers Market 2024 Farmer/Food Part-Time Vendor Application**

*The Putnam Saturday Farmers' Market (PSFM) is sponsored by the Town of Putnam in conjunction with the CT Department of Agriculture. The Market Manager is the administrator of the weekly market.*

*The PSFM is held in an open-air, roofed pavilion at 18 Kennedy Drive, in Putnam, along the Putnam River Trail. The Market has been popular for produce, foods, and local artisans. The Market is regularly advertised and publicized in the community and on social media. Space is limited so the Market Manager will approve guest vendors as space permits; selection will be based on providing a balance of products.*

If you are interested in participating, please email or mail a full application with payment to:

Putnam Municipal Complex  
% Economic & Community Development  
200 School Street  
Putnam, CT 06260  
[putnamfarmersmarket@gmail.com](mailto:putnamfarmersmarket@gmail.com)

*It's important to find the right mix of vendors to make the market a success. Please spread the word to anyone you think would enhance the market - whether farm, artisan, crafter, musician, nutritionist, chef, or local community organization.*

If you have any questions, please contact the Market Manager or ECD Department:

## Putnam Saturday Farmers Market 2024 Rules & Regulations

Vendors must also read and agree to the Putnam Saturday Farmers' Market Rules and Regulations. Only vendors approved by the Market Manager may participate in the PSFM. All vendors must abide by the following rules and regulations:

- *Produce grown in Connecticut:* All agricultural produce offered for sale must be Connecticut grown. In the case of value-added agricultural products, the main ingredients should be produced by the vendor and the product processed by the vendor.
- *Baked goods and preserves:* Ingredients may be purchased and should be CT grown whenever possible. Vendors must mix, bake or prepare the goods. Baked goods require a Connecticut Bakery License.
- *Prepared foods:* Whenever possible, major ingredients should be sourced from a CT farm or dairy, and foods should be prepared from scratch by the vendor. Purchasing processed foods and reselling them is prohibited.
- *Meats, dairy, fish:* All products must come from the vendor's herd. Grazing animals must have regular access to pasture and freedom to move around. Hormones may not be fed to animals. Fish and shellfish must be caught or raised locally.
- All meat and processed poultry must be USDA inspected and labeled. Jams, jellies and maple syrup are exempt from a sanitation inspection of the processing facility; however, strict rules regarding labeling apply, and labels must be prepared in 10-point type, including common or unusual name, ingredient listing in descending order, name of vendor, net weight or volume in English units, and content statement if any additional ingredient has been added. They must also bear the statement "Not prepared in a government inspected kitchen." Additional information may be obtained in the Farmers' Market Guide at [www.ctgrown.gov](http://www.ctgrown.gov).
- *Food vendor:* Whenever possible, major ingredients should be sourced from a CT farm or dairy, and foods should be prepared from scratch by the vendor. Purchasing processed foods and reselling them is prohibited. A license from the Northeast District Department of Health is required. (The NDDH can be reached at 69 South Main St. Unit 4, Brooklyn CT, or by calling 860-774-7350.)
- *Artisans:* While preference is given to agriculture-related products, a portion of available space will be offered to artisans. All items offered for sale must be made by the vendor.
- *Non-Profit Vendor:* As a service to the community, vendor spaces each market day can be provided at no charge to a non-profit organization to educate the public or raise funds for the benefit of their organization. The availability of space will be determined by the Market Manager. Each non-profit organization will be responsible for its own liability insurance and any applicable license.

It is expected that all items offered for sale will be of the highest quality and vendors shall be courteous and honest with all customers. Smoking and consumption of alcoholic beverages are not allowed on the premises. Profanity, shouting and disruption to the market will not be tolerated. Cell phone usage by vendors should be kept to a minimum, as it presents an image of non-concern toward customers.
---

Selling before the 10:00 a.m. opening is not permitted, with the exception of the 15-minute period between 9:45 and 10:00 when vendors who are already set up may buy from each other, as there is little opportunity for them to do so after the market opens. Vendors must remain in place until 1:00 p.m. closing even if merchandise is sold out. Setup may begin no earlier than 9:00 a.m. and vendors must vacate their space by 2:00 p.m. After 10:00 a.m. vendors will not be allowed to set up in their space. Exceptions to the rules set forth in this paragraph may be permitted by the Market Manager, at the Market Manager's sole discretion.
--

Vendor space will be assigned by the Market Manager and, unless otherwise agreed to by both the Market Manager and the vendor, will be a minimum of 14' x 10'. Sites will be assigned when all required paperwork and fees are received. One vehicle per space is allowed in the market area. Vendors located in the pavilion may park to the rear of the vendor space; vendors located outside the pavilion will have assigned parking. Each vendor is responsible for leaving the site in the same condition as it was upon arrival.
--

Vendors are to provide whatever they need to set up their own space, including tables. Any canopy, tent or market umbrella must be securely anchored at all times; this rule is strictly enforced, as unsecured tents pose a dangerous public hazard in case of sudden wind gusts.
--

Vendors are to maintain consistent weekly attendance throughout their entire market season. In case of an anticipated or necessary absence, please phone the Market Manager. Chronic absences will jeopardize the location of your space for the betterment of the PSFM. Each vendor's space shall be identified with the business name, and all prices shall be marked clearly.
--

Proper insurance is required of each vendor. <b>A minimum \$300,000 of liability insurance is required</b> , and a Certificate of Insurance listing the Town of Putnam (200 School St. Putnam, CT 06260) as Certificate Holder and additional insured must be submitted prior to participating in the market. Vendor product liability insurance is strongly encouraged. Non-compliance with these regulations is grounds for eviction from the PSFM.
---

It is the Market Manager's responsibility to ensure the smooth operation of the market, manage grievances, and manage customer complaints if necessary. Please contact the Market Manager with any concerns.
